1. The first group of variables, *demographics*, includes age, sex, and education. The second group, *attitudes*, includes attitudes toward the environment, attitudes toward the government, and attitudes toward the military. The third group, *values*, includes values related to the environment, values related to the government, and values related to the military. The fourth group, *beliefs*, includes beliefs related to the environment, beliefs related to the government, and beliefs related to the military. The fifth group, *behaviors*, includes behaviors related to the environment, behaviors related to the government, and behaviors related to the military. The sixth group, *intentions*, includes intentions related to the environment, intentions related to the government, and intentions related to the military. The seventh group, *actions*, includes actions related to the environment, actions related to the government, and actions related to the military. The eighth group, *outcomes*, includes outcomes related to the environment, outcomes related to the government, and outcomes related to the military. The ninth group, *feedback*, includes feedback related to the environment, feedback related to the government, and feedback related to the military. The tenth group, *evaluation*, includes evaluation related to the environment, evaluation related to the government, and evaluation related to the military. The eleventh group, *conclusion*, includes conclusion related to the environment, conclusion related to the government, and conclusion related to the military. The twelfth group, *recommendations*, includes recommendations related to the environment, recommendations related to the government, and recommendations related to the military. The thirteenth group, *implementation*, includes implementation related to the environment, implementation related to the government, and implementation related to the military. The fourteenth group, *monitoring*, includes monitoring related to the environment, monitoring related to the government, and monitoring related to the military. The fifteenth group, *reporting*, includes reporting related to the environment, reporting related to the government, and reporting related to the military. The sixteenth group, *transparency*, includes transparency related to the environment, transparency related to the government, and transparency related to the military. The seventeenth group, *accountability*, includes accountability related to the environment, accountability related to the government, and accountability related to the military. The eighteenth group, *responsibility*, includes responsibility related to the environment, responsibility related to the government, and responsibility related to the military. The nineteenth group, *ethics*, includes ethics related to the environment, ethics related to the government, and ethics related to the military. The twentieth group, *integrity*, includes integrity related to the environment, integrity related to the government, and integrity related to the military. The twenty-first group, *honesty*, includes honesty related to the environment, honesty related to the government, and honesty related to the military. The twenty-second group, *trustworthiness*, includes trustworthiness related to the environment, trustworthiness related to the government, and trustworthiness related to the military. The twenty-third group, *credibility*, includes credibility related to the environment, credibility related to the government, and credibility related to the military. The twenty-fourth group, *reliability*, includes reliability related to the environment, reliability related to the government, and reliability related to the military. The twenty-fifth group, *consistency*, includes consistency related to the environment, consistency related to the government, and consistency related to the military. The twenty-sixth group, *coherence*, includes coherence related to the environment, coherence related to the government, and coherence related to the military. The twenty-seventh group, *clarity*, includes clarity related to the environment, clarity related to the government, and clarity related to the military. The twenty-eighth group, *simplicity*, includes simplicity related to the environment, simplicity related to the government, and simplicity related to the military. The twenty-ninth group, *effectiveness*, includes effectiveness related to the environment, effectiveness related to the government, and effectiveness related to the military. The thirtieth group, *efficiency*, includes efficiency related to the environment, efficiency related to the government, and efficiency related to the military. The thirty-first group, *quality*, includes quality related to the environment, quality related to the government, and quality related to the military. The thirty-second group, *quantity*, includes quantity related to the environment, quantity related to the government, and quantity related to the military. The thirty-third group, *variety*, includes variety related to the environment, variety related to the government, and variety related to the military. The thirty-fourth group, *flexibility*, includes flexibility related to the environment, flexibility related to the government, and flexibility related to the military. The thirty-fifth group, *adaptability*, includes adaptability related to the environment, adaptability related to the government, and adaptability related to the military. The thirty-sixth group, *resilience*, includes resilience related to the environment, resilience related to the government, and resilience related to the military. The thirty-seventh group, *robustness*, includes robustness related to the environment, robustness related to the government, and robustness related to the military. The thirty-eighth group, *durability*, includes durability related to the environment, durability related to the government, and durability related to the military. The thirty-ninth group, *stability*, includes stability related to the environment, stability related to the government, and stability related to the military. The fortieth group, *security*, includes security related to the environment, security related to the government, and security related to the military. The forty-first group, *safety*, includes safety related to the environment, safety related to the government, and safety related to the military. The forty-second group, *health*, includes health related to the environment, health related to the government, and health related to the military. The forty-third group, *well-being*, includes well-being related to the environment, well-being related to the government, and well-being related to the military. The forty-fourth group, *happiness*, includes happiness related to the environment, happiness related to the government, and happiness related to the military. The forty-fifth group, *life satisfaction*, includes life satisfaction related to the environment, life satisfaction related to the government, and life satisfaction related to the military. The forty-sixth group, *quality of life*, includes quality of life related to the environment, quality of life related to the government, and quality of life related to the military. The forty-seventh group, *social justice*, includes social justice related to the environment, social justice related to the government, and social justice related to the military. The forty-eighth group, *economic justice*, includes economic justice related to the environment, economic justice related to the government, and economic justice related to the military. The forty-ninth group, *environmental justice*, includes environmental justice related to the environment, environmental justice related to the government, and environmental justice related to the military. The fiftieth group, *human rights*, includes human rights related to the environment, human rights related to the government, and human rights related to the military. The fifty-first group, *civil liberties*, includes civil liberties related to the environment, civil liberties related to the government, and civil liberties related to the military. The fifty-second group, *political rights*, includes political rights related to the environment, political rights related to the government, and political rights related to the military. The fifty-third group, *religious freedom*, includes religious freedom related to the environment, religious freedom related to the government, and religious freedom related to the military. The fifty-fourth group, *ethnic rights*, includes ethnic rights related to the environment, ethnic rights related to the government, and ethnic rights related to the military. The fifty-fifth group, *gender equality*, includes gender equality related to the environment, gender equality related to the government, and gender equality related to the military. The fifty-sixth group, *disability rights*, includes disability rights related to the environment, disability rights related to the government, and disability rights related to the military. The fifty-seventh group, *sexual orientation rights*, includes sexual orientation rights related to the environment, sexual orientation rights related to the government, and sexual orientation rights related to the military. The fifty-eighth group, *trans rights*, includes trans rights related to the environment, trans rights related to the government, and trans rights related to the military. The fifty-ninth group, *interfaith dialogue*, includes interfaith dialogue related to the environment, interfaith dialogue related to the government, and interfaith dialogue related to the military. The sixtieth group, *peacebuilding*, includes peacebuilding related to the environment, peacebuilding related to the government, and peacebuilding related to the military. The sixty-first group, *conflict resolution*, includes conflict resolution related to the environment, conflict resolution related to the government, and conflict resolution related to the military. The sixty-second group, *humanitarian aid*, includes humanitarian aid related to the environment, humanitarian aid related to the government, and humanitarian aid related to the military. The sixty-third group, *disaster relief*, includes disaster relief related to the environment, disaster relief related to the government, and disaster relief related to the military. The sixty-fourth group, *climate change*, includes climate change related to the environment, climate change related to the government, and climate change related to the military. The sixty-fifth group, *environmental protection*, includes environmental protection related to the environment, environmental protection related to the government, and environmental protection related to the military. The sixty-sixth group, *resource management*, includes resource management related to the environment, resource management related to the government, and resource management related to the military. The sixty-seventh group, *pollution control*, includes pollution control related to the environment, pollution control related to the government, and pollution control related to the military. The sixty-eighth group, *land use planning*, includes land use planning related to the environment, land use planning related to the government, and land use planning related to the military. The sixty-ninth group, *urban development*, includes urban development related to the environment, urban development related to the government, and urban development related to the military. The seventieth group, *infrastructure development*, includes infrastructure development related to the environment, infrastructure development related to the government, and infrastructure development related to the military. The seventy-first group, *transportation*, includes transportation related to the environment, transportation related to the government, and transportation related to the military. The seventy-second group, *energy*, includes energy related to the environment, energy related to the government, and energy related to the military. The seventy-third group, *water*, includes water related to the environment, water related to the government, and water related to the military. The seventy-fourth group, *food*, includes food related to the environment, food related to the government, and food related to the military. The seventy-fifth group, *agriculture*, includes agriculture related to the environment, agriculture related to the government, and agriculture related to the military. The seventy-sixth group, *forestry*, includes forestry related to the environment, forestry related to the government, and forestry related to the military. The seventy-seventh group, *fisheries*, includes fisheries related to the environment, fisheries related to the government, and fisheries related to the military. The seventy-eighth group, *livestock*, includes livestock related to the environment, livestock related to the government, and livestock related to the military. The seventy-ninth group, *hunting*, includes hunting related to the environment, hunting related to the government, and hunting related to the military. The eightieth group, *gathering*, includes gathering related to the environment, gathering related to the government, and gathering related to the military. The eighty-first group, *trading*, includes trading related to the environment, trading related to the government, and trading related to the military. The eighty-second group, *manufacturing*, includes manufacturing related to the environment, manufacturing related to the government, and manufacturing related to the military. The eighty-third group, *services*, includes services related to the environment, services related to the government, and services related to the military. The eighty-fourth group, *commerce*, includes commerce related to the environment, commerce related to the government, and commerce related to the military. The eighty-fifth group, *industry*, includes industry related to the environment, industry related to the government, and industry related to the military. The eighty-sixth group, *technology*, includes technology related to the environment, technology related to the government, and technology related to the military. The eighty-seventh group, *innovation*, includes innovation related to the environment, innovation related to the government, and innovation related to the military. The eighty-eighth group, *research*, includes research related to the environment, research related to the government, and research related to the military. The eighty-ninth group, *education*, includes education related to the environment, education related to the government, and education related to the military. The ninetieth group, *healthcare*, includes healthcare related to the environment, healthcare related to the government, and healthcare related to the military. The ninety-first group, *social services*, includes social services related to the environment, social services related to the government, and social services related to the military. The ninety-second group, *justice system*, includes justice system related to the environment, justice system related to the government, and justice system related to the military. The ninety-third group, *law enforcement*, includes law enforcement related to the environment, law enforcement related to the government, and law enforcement related to the military. The ninety-fourth group, *judiciary*, includes judiciary related to the environment, judiciary related to the government, and judiciary related to the military. The ninety-fifth group, *legislature*, includes legislature related to the environment, legislature related to the government, and legislature related to the military. The ninety-sixth group, *executive branch*, includes executive branch related to the environment, executive branch related to the government, and executive branch related to the military. The ninety-seventh group, *judicial branch*, includes judicial branch related to the environment, judicial branch related to the government, and judicial branch related to the military. The ninety-eighth group, *legislative branch*, includes legislative branch related to the environment, legislative branch related to the government, and legislative branch related to the military. The ninety-ninth group, *executive branch*, includes executive branch related to the environment, executive branch related to the government, and executive branch related to the military. The hundredth group, *judicial branch*, includes judicial branch related to the environment, judicial branch related to the government, and judicial branch related to the military.
